Jury Consolidation Can Save County \$300,000

Consolidation of the Superior and Municipal court jury systems for a possible taxpayer savings of \$300,000 annually has been urged by Supervisor Kenneth Hahn.

Enabling legislation to consolidate the jury systems was signed into law July 20 by Governor Ronald Reagan. It was strongly supported by Hahn, who is chairman of courts for the county, and by the Citizens Economy and Efficiency Committee.

"It is now possible for each Independent Municipal Court District to adopt a court rule to use the same jury panels as called for the Superior Court," Hahn said.

"This can end the duplication of two jury lists and provide maximum utilization of jurors' time."

The county's Chief Administrative Office estimates that complete consolidation could save \$300,000 a year.

Bail for Rupe was set at \$1,000. He was arrested last week in his home by Torrance vice officers after a search of his room allegedly turned up three sacks of marijuana.

Accused
Of Murder**

A Torrance carpenter accused of murdering his wife and burying her body in the mountains near Gorman is scheduled to enter a plea Friday in Los Angeles County Superior Court.

Albert R. Scott, 58, of 12733 S. Main St., was given a continuance Monday in his arraignment so that he could consult with a public defender assigned to his case. He will appear in Department 100.

Scott is accused of killing his wife May 15, 1965, with rifle shots and forcing his children to help him bury the body about 10 miles outside Gorman near a creekbed.
